

# Office of the Building Department

## **STREET SIGNS AND POLES FOR NEW DEVELOPMENTS**

Prior to ordering street signs and poles, contact Roger Dye in the Brecksville Service Department (440)526-4351, to determine what type of sign will be required.

The initial street signs and poles are the responsibility of the developer.

Signs can be purchased through:

Vulcan Signs  
P.O. Box 1850  
Foley, AL 36536-1850  
1-800-633-6845

Contact person:

Cheryl Harris

Types of signs:

2-way signs, VS-12 Cap for round post, .080 x 6 3/4" D3-1F-\*, Double faced, White/Green with White border, drilled for VS-12, 4" series D uppercase letters, Sign style number 2 Sheeting is to be High Intensity Prismatic.

4-way signs, same as above plus VS-8F 90° cross

Poles can be purchased through:

Active Plumbing Supply Comany  
239 Brookpark Road  
Cleveland, OH 44109  
(216)459-2700

Contact person:

Steve

Type of Pipe:

2 3/8" outside diameter, 11' long, galvanized.

The signs and poles should be delivered to the developer or his contractor who will be installing the signs. Contact Roger Dye of our Service Department at (440) 526-1384 to coordinate the proper purchase of brackets for the street name signs before placing order. After the materials have been received the Service Department should be contacted again to schedule the staking of the proper locations for the signs.
